

The Campfire Guardians association met Tuesday evening at the home of Mrs. Fred Carlson. They decided that each camp would camp alone and that there would be no general camp as last year. This decision was reached because it was found that a large camp was too difficult to manage and cook for. If any money for the purpose of camping is earned or donated to the girls as a whole it will be pro-rated among the camps according to the number of girls in the various camps. It is possible that some of the girls and one guardian will go to the national camp at Crete, Neb., this summer. This cannot be done by the entire organization, however, as the expense would be too great.

Dr. C. J. Robinson of Oxnard, Cal., arrived in Alliance yesterday and will take care of the practice of Dr. A. L. V. Smith, who is now at home with his family, which is undergoing a siege of illness. Dr. Smith, his wife and his wife's mother are all ill. Dr. Smith had planned to return to Alliance several days ago, following taking a postgraduate course in chiropractic work at Chicago, but when his month's work was finished received an urgent call to come home. Dr. Robinson is well known to Dr. J. H. Jeffrey, having at one time assisted him in the Casper office. He will remain here until Dr. Smith is able to return.

A letter from Homer White, who was employed as engineer in charge of constructing the Alliance paving a year ago, brings the news that he is now at Kingfisher, Okl., where he is employed by the Oklahoma state highway department in charge of the construction of a 200-foot bridge. The work is said to be very interesting, as the bridge is of an unusual type. Mr. White went to Broken Bow from Alliance, where he was on another paving job, and from there to Holdrege and Indianola, but has severed his connection with Grant & Fulton.

The Alliance fire department, at a meeting held Wednesday evening, elected the following officers: President, Ed Brennan; vice president, Charles Griffin; secretary, V. E. Byrne; chief, Buy Schafer. Board of control—George Keiser, two years; Roy Butler, one year; Roy Trabert, three years. The installation ceremony will be held April 12, and the fire boys are planning a big special entertainment in honor of the occasion.

Mrs. Oscar O'Bannon returned from Denver Tuesday evening, accompanied by her sister, Agnes Schrader. The trip was made in the Setrans-Knight with Mrs. O'Bannon at the wheel, and the driving time from Denver to Alliance was only ten hours and thirty minutes. The roads are in fine condition, according to Mrs. O'Bannon.

Keep-U-Neat Tailors Have the Agency for Ed. V. Price Clothes

The Keep-U-Neat Cleaners and Tailors have secured the agency for the famous Ed. V. Price line of tailored-to-order clothes, formerly held by E. G. Laing. The new spring samples have arrived and are now available for old patrons of this popular line of men's clothing, who have become accustomed to the superior fit and long-wearing quality of Ed. V. Price garments. The Keen-U-Neat is prepared to render careful and experienced service in measuring and fitting of these garments, and urges all former patrons of Ed. V. Price, as well as others who may be interested, to come in and look over the spring materials and models.—Advertisement.

Eighth grade pupils examinations will be held at the court house at Alliance and the high school at Hemingford, April 6 and 7.

who came by way of Sterling and Bridgeport.

The Presbyterian ladies will entertain the union aid societies next Wednesday afternoon at the church. A part of the entertainment is to be a White Elephant exchange. Each lady is asked to bring some article with which she is willing to part. The subject will be, "Reality."

Dr. F. M. Knight plans to leave today or tomorrow for a month's trip, during which he will spend ten days at Excelsior Springs, Mo., and will stop at Chicago and his old home at Decorah, Ia.

Aileen Nelson of Graybull, Wyo., stopped over between trains with Margaret Brennan, enroute from Lincoln, where she has been attending the state university, to her home.

Dr. Crawford of Rushville came to Alliance this morning, bringing with him a patient for an operation at the hospital this afternoon.

Dr. J. P. Weyrens returned this morning from a week's stay in Chicago, during which time he attended a surgical clinic.

Helen Young, Elizabeth Wilson and Ruth Scott were in Alliance during the last week-end visiting the home folks.

Matilda Frankle will be home Saturday from the state university, during spring vacation.

Dave Kauffman has returned to his position at The Famous, after a week's sabbatical.

The Eight o'clock bridge club will meet Tuesday evening with Mrs. R. M. Tinkcom.

The N. W. bridge club met Thursday at the home of Mrs. Tom Griffith.

Mrs. J. C. Morrow has been ill for the past week with the grippe.

Mrs. E. H. Boyd is just recovering from an attack of the flu.

Mrs. Frank Smith is confined to her home with the flu.

Mrs. A. G. Smart is ill with the flu at her home.

Mrs. William Cherry is very ill at her home.

Harry DuBuque is ill with an attack of the flu.

Louise Cogswell is ill with a bad cold.

DEATHS AND FUNERALS

Mrs. J. K. Snow died at her home, twelve miles south of Alliance, at 6 p. m. Thursday. Death was due to old age. Mrs. Snow had been in failing health for some months, and the end was not unexpected. With her husband, she came to Box Butte county thirty years ago. She was a native of Massachusetts. Besides the husband, two children survive, Charles A. and Arvilla. Funeral arrangements have not been made.

Perry W. Brandt, 61 years of age, died in Alliance Thursday at the home of his sister, Mrs. P. J. Sturgeon, 213 East Third street. Paralysis, followed by pneumonia, was the cause of death. He was born in Ohio, August 8, 1860. He had been ill only a few days, his last sickness beginning Monday. He was a rancher, living ten miles east of Alliance, and never married. He came to western Nebraska in September, 1899. He leaves a sister, Mrs. Sturgeon of this city, and a brother, H. J. Brandt of Fort Morgan, Colo. He was a member of Alliance lodge No. 168, I. O. O. F., and the local Odd Fellows will attend the funeral services in a body. The services will be held from the Christian church at 2:30 Friday, in charge of Rev. Stephen J. Epler. Interment will be in Greenwood cemetery.

Word reached Alliance friends this morning of the death of Mrs. Ernest W. Gremel at Scottsbluff last evening. She leaves a husband, a son and an infant daughter. Mr. Gremel was for several months in the employ of The Herald, and Mrs. Gremel had a number of friends and acquaintances in the city. The family removed to Scottsbluff several months ago.

Youth Who Teased Colonel Evans Is Given a \$5.00 Fine

Charles Colerick drew a fine of \$5 and costs in Justice court Thursday afternoon, the same being assessed by Justice L. A. Berry after the testimony was all in. Colerick was charged with using grossly vile and insulting epithets toward Colonel Evans. Colerick was defended by H. E. Gantz, who sought to show that Colerick had called Mr. Evans nothing worse than "Dynamite" and "Bryan," and argued that these were neither grossly vile nor insulting. The court held, however, that they were such, when applied to the plaintiff. The fine was first set at \$10, but the defendant succeeded in getting it reduced after telling the court a tale of hard times.

Mrs. Ellen Dodge Died at Hospital This Afternoon

Mrs. Ellen Dodge, wife of Rev. A. O. Dodge, rector of St. Matthews' Episcopal church, died shortly before 2 o'clock this afternoon at St. Joseph hospital. Death was due to cardiac trouble with other complications. Shortly after the holidays, Mrs. Dodge had a severe attack of influenza, which left her in a greatly weakened condition, and about a month ago was taken ill again. She was taken to the hospital, but recovered sufficiently to be brought home a week ago. Tuesday came a relapse, which necessitated her return to the hospital. She sank rapidly, and death had been expected since last night. For some years past, Mrs. Dodge had suffered from heart trouble and since coming to Alliance the high altitude had caused her considerable suffering.

Mrs. Dodge was born in Skemessdale, England, her maiden name being Ellen V. Hopkins. She was thirty-six years of age. Two brothers and two sisters, all of whom live in Detroit, survive her. They have been notified and are expected to be present for the funeral services. Bishop Beecher of this diocese is expected to arrive in the city tomorrow.

Mrs. Dodge served during two years of the world war as a Red Cross nurse with the American forces overseas, and crossed the ocean several times during the hostilities. She was married to Rev. Mr. Dodge in January, 1920, and the couple went to Arapahoe. In September, 1921, they came to Alliance, when Mr. Dodge assumed the pastorate of the local church. Funeral services have not been arranged, but it is understood that interment will be in Alliance, and possibly in the lots set aside for world war veterans.

Slander Suit Is Heard by State Supreme Court

Lincoln Star: Did S. K. Warrick, Alliance and Scottsbluff banker, libel and slander G. L. Shumway, former state land commissioner, when he filed a protest with the state banking bureau against the issuance of a bank charter to Shumway and some other men at Scottsbluff, on the ground that they were financially irresponsible and had violated the banking laws of Nebraska, and that Shumway, while holding state office, had committed some improper act in connection with potash land leases?

The Nebraska supreme court listened to arguments pro and con on this question Thursday morning, in the \$100,000 damage suit which Shumway brought against Warrick in Scottsbluff county, and which the lower court dismissed on a demurrer of the defense. H. H. Wilson of Lincoln argued the case for Shumway, while Warrick's side was represented by J. G. Morthershead of Scottsbluff. The bank charter application was turned down by the state in April, 1919, partly on representations made by Warrick and other remonstrators. Shumway and his associates brought suit to compel the banking bureau to issue a charter, but failed to get a court order to that effect. Warrick's counsel contended that even though his client had brought charges before the banking bureau which were false and known by him to be false, he could not be held liable for damages, under established judicial procedure.

City Manager's Corner (By N. A. KEMMISH)

We are calling one of the \$500 bonds covering the city hall and the city park. These are known as refunding bonds and were issued in 1916, which paid off the old bonds that were on the city hall and park. This is the first we have been able to pay so far on these refunding bonds. One of the parties holding this bond was anxious to have it paid, so we took it up, thereby letting them know that we are in shape to take care of our obligations. We experienced some trouble on our power circuit this morning, and the men have been working diligently to locate it. It is very annoying for the newspapers and power users to be out of power, but there are things that cannot always be helped.

There are some who hate the profiteer because they would like his profits. FOUND—Two shirt collars. Call at Herald office. 34

LEGAL NOTICE

Notice is hereby given that by virtue of a chattel mortgage dated on the 6th day of May, 1921, and duly filed in the office of the County Clerk of Box Butte County, Nebraska, on the 7th day of June, 1921, executed by the Hemingford Implement and Investment Company, a corporation of Hemingford, Box Butte County, Nebraska, to the Henkle-Joyce Hardware Company, or Lincoln, Lancaster County, Nebraska, to secure the payment of the sum of \$1,141.96, and upon which there is now due the sum of \$1,242.51, default having been made in the payment of said sum, and no suit or other proceedings at law having been instituted to recover said debt or any part thereof, I will sell the property therein described, viz.: One Douglas Two-Ton Motor Truck, serial number 13570, and engine number 53349, at the Lowry and Henry Garage on the corner of Box Butte Avenue and Fifth Street in the City of Alliance, Box Butte County, Nebraska, on the 15th day of April, 1922. Dated this 23rd day of March, A. D., 1922.
HENKLE-JOYCE HARDWARE COMPANY, A Corporation of Lincoln, Nebraska.
LEE BASYE, Attorney.

SPORTS

Cups Are Needed for the Western Hi School Meet

As the western Nebraska high school track meet is to be held here in the spring it would not only be suitable, but highly appropriate, for some of the local business houses to donate cups to be awarded as trophies for this event. About three cups will be needed, a team champions cup, a second cup and a cup for the winner of individual honors. As many more as are donated can be used, for other events. At Lincoln, at the state high school meet, there is great rivalry between the business houses for the privilege of donating a cup, as the donor's name is inscribed on it and it is considered good advertising. There are forty high schools invited to send teams and this will undoubtedly be the largest track meet ever held in western Nebraska. The advertising the houses receive that donate cups, will therefore reach more than Alliance alone and will surely be worth while.

Seth Joder Is Chosen Captain of '22 Basket Ball

Seth Joder, guard on the '21 and '22 high school basket ball teams was elected captain for the coming year, at a meeting of all letter men Wednesday morning. The new captain, will play his last year of the cage sport this year. He was chosen as all-tournament guard at the Chadron Normal tournament, both this year and last, and was chosen by The Herald as all-western guard for the past season. He has played three years of football, during the '21 season, as quarterback. As a basket ball player he probably has not an equal in his position in western Nebraska, that of floor forward. With two other regulars beside the captain, and plenty of new material the prospects for another class "A" team are very bright.

A Tennis Club Is Planned for Alliance

Plans for an Alliance tennis club now reached a definite stage and those who wish to will have to do so without delay as only four places of the contemplated membership remain. It is planned to build the court on the vacant lots just west of the Course & Miller garage. A number of tennis fans who have not swung a racket in years have signified their intention of entering and there is little doubt that a live organization will be formed. Each member will be taxed about \$10 for the construction of the court. With this amount a real court can be built on which fast tennis can be played. It is planned that a member may be refunded his money if he resigns from the club. The membership will be small, so that there will be no crowding at the court. All those who wish to enter will leave their names at The Herald office.

Track Men Start Workouts Last Wednesday Night

Coach Prince has started practice for his speedsters, and from early indications should have a track team, equalled by few if any in the state. Outdoor work began Wednesday evening, with just enough work to get the men accustomed to their new line of sport. There are a number of veteran track men in Dailey, Garvin, Strong, Cross, Fowler and Purdy, with some excellent material in some of the new men. There will probably be about a month of practice before the first event. As last year there will probably be some dual meets with other schools before the western Nebraska and state meets.

Instead of wolves masquerading in sheep's clothing, we may have wolves wearing sheep's glands, if the experiment on criminals works.

A real, bully sort of American dad. Gives everything, takes anything, is a confirmed goat, but likes it.
He's far from inconspicuous in

beginning Friday, April 14.

PHONE COMPANY ORDERED TO FURNISH FIGURES

(Continued from Page 1.) mentioned as of September to December, 1921; a statement also showing standard classification of the property accounts, the book costs of the telephone company, plant in service as of December 31 of each year from 1912 to 1920 inclusive subdivided between toll and exchange; a statement showing the net balance in the depreciation reserve and in the surplus account of the telephone company as of December 31 of each year from 1912 to 1921, inclusive. They have also asked for a very extensive accounting of the depreciation reserve from the periods of January 1, 1913 to December 31, 1920.

The railway commission has asked the telephone company to furnish a chart showing the comparative number of operating employees per 1,000 subscribers, stations for the telephone company as of January 1, 1913, 1917 and 1920 for the Nebraska division. This is to show the subdivision of employees as between plant, traffic, commercial and general; a statement showing by class of employees for each

of the ten towns mentioned above designating the exchange, the rate of pay in effect and all employees engaged in the construction, maintenance and operation as of January 31, 1921 and as of January 31, 1922.

The telephone company is also asked to furnish a copy of their annual report to the Interstate Commerce commission as of December 31, 1916 and 1920. They are asked for a copy of the agreement between the American Telegraph and Telephone company and the Northwestern Bell Telephone company under which the latter pays 4 1/2 per cent of its gross revenue to the former for rentals covering receivers and transmitters used on all telephones.

"There are a great many other points covered in questionnaires by the Nebraska State Railway commission but they are too exhaustive to go into here. It simply shows, however, that the railway commission is going into the matter very thoroughly. As we pointed out to them in our Omaha meeting a month ago, the burden is upon the railway commission to get at the facts in the case and see that everyone gets a fair and square deal," says Mr. Kemmish.
